

Re: Panther Creek 2, LLC. Wind Turbine Project- Letter of Support

To whom it may concern,

The Village of Flanagan, Board of Trustees, supports the development of the Panther Grove 2, LLC Wind Turbine Project in Nebraska Township and the surrounding Livingston County area.

At the beginning of 2024, the Village Board of Trustees approved and passed a resolution titled **COMPENSATION AND WAIVER OF SITING AUTHORITY FOR WIND TURBINES AGREEMENT**, which allowed for no more than 10 wind turbines within the 1.5-mile radius surrounding such municipality's corporate limits.

We believe that allowing such a project to continue will impact the economic development of the Village and provide for future economic stability.

Signed,

David Iverson
